

A prayer for our students,
preschool through college...

Lord, we pray for our students. We ask that you guard their heart and their mind in Christ Jesus. That you would wrap them up in your love and protect them from all evil. Lord, we pray that you would give them great enthusiasm for their studies. May you inspire them each day. May each class bring fresh inspiration, and may each moment be filled with the energy they need for their tasks. Lord, we pray that our students would know the hope in Jesus Christ to which they are called. We pray that you would inspire their direction and gently lead them in their daily lives. Amen.
