Dear Church Family,

We would like to thank you for being the great church family that you are and continue to be. During the difficult times that we have experienced over the past few months, our church family has been a tremendous help through very difficult circumstances that we have encountered. John continues to make progress but still has a long way to go. We appreciate all of your continuing thoughts and prayers. We can't begin to express the love and compassion that you have shown to us during this time.

*We love you,
The Family of John Parris*
