The Church Enlarged

We have now arrived at Acts 8 where the Church begins to pivot direction as part of the Holy Spirit's leadership and plan. In *'Jerusalem'* the church was established: born, tested, purified and strengthened (Acts 1-7). The emphasis was on Jewish evangelism in an urban situation.

Now in Acts 8-12 we see the Church enter a new time of transition moving into national evangelism. The Church is being enlarged to *'Judea and Samaria.'* God is reuniting the old divided kingdoms of Israel spiritually in Jesus. The gospel is spreading, multiplying, changing lives and breaking traditions.

We are not yet in chapter 13 where the Church is expanded to *'the Ends of the Earth.'* This is still the period 36-46AD comprising 10 years of expansion in the land. Eventually we will see the Gentiles come into the Church and the gospel arrive at the centre of the Roman Imperial world, Rome.

In the meantime, the Church is growing, surging, transforming, and discovering itself in new cultural spaces where it has never been. These are exciting times in Acts 8-13. Why not read ahead and see what the Holy Spirit is doing. The same Spirit leads us today.

Please be mindful that with winter sniffles now becoming more common, it might be best to wear a mask or rest at home so others aren't affected.

It's important to keep up good hygiene when you're sick. Remember to wash your hands regularly with soap and water, and sneeze or cough into your elbow or a tissue.

FIRE EVACUATION SCHEME

- Anyone who discovers a fire must shout an alert to other people in the building.
- Staff, leaders and building keyholders are being trained to undertake the duty of a Fire Warden.
- Evacuating people from the building always takes priority over phoning the fire service or fighting the fire.
- Parents will be advised how children will be evacuated when they are in another part of the building.
- If you need assistance to exit the building wait for people to help you when others have left.
- We no longer have trial fire evacuations - if a warning is shouted or the alarm sounds treat it as a real emergency.
