A Community of Love and Grace

One of the wonderful things has been to see people coming back to services and ministries during the week. The smile on people's faces, the talking and then reconnecting are wonderful to see. God is at work in our midst!

Our vision for this year is to become a community of grace where we lovingly welcome people as they are and journey with them as they wrestle with the goodness and kindness of Jesus. When people encounter Jesus they change, and we are part of that life change process.

The Learning to Live like Jesus series was a significant one, because it defines who we are as a church community. If you have not yet grasped it, please go back and watch it. This Sunday we begin a biggie -The Book of Galatians. Galatians is famous because it talks about this good news of grace- 'the gospel' of grace. However it is so much more -how God is creating a community that operates like no other community before!

God Bless You / Ngā manaakitanga
