

Application for Youth Ministry Scholarship Funds

Calvary Evangelical Lutheran Church is committed to doing everything possible in order for students to grow in faith as a follower of Jesus Christ and participate fully in core youth events and mission trips regardless of ability to pay. Need-based scholarship funds are made available for students on a case-by-case basis. Normally the amount provided is up to half of the event/trip cost, though additional scholarship funds and full scholarships are also available. These funds are limited and dependent upon the generosity of the congregation and the effectiveness of our youth "faith-raising/fund-raising" activities; availability cannot be guaranteed at all times.

In order to receive a scholarship the student or family must:

- In good faith request a scholarship based on financial circumstances of need that would limit the student's ability to participate.
- Complete and sign the application form below.
- Participate fully in all Calvary youth "faith-raising/fund-raising" efforts.

Youth Information		<i>This application is confidential and reviewed by staff only. Once completed, please place in a sealed envelope marked "Scholarship Application", and return to Rebecca Couser, Youth Ministry</i>
