What is Super Summer?

Super Summer is a training and learning experience for those who have already committed their lives to Christ, want to know the gospel, are burdened for the lost, want to seek opportunities to share the gospel with those around them, are seeking fresh ways to develop their fullest potential as Christian leaders. **Super Summer is not an ordinary summer youth camp designed for everyone** (approximately 24 hours of Bible study). Those that go should be prepared to fully participate in all session and activities in the active and highly-disciplined schedule of Super Summer. Super Summer takes makes the best students better by equipping them for evangelism. Super Summer is a week of structured and focused training, and a week that is also a lot of FUN!

Dear Parents,

Thank you for considering making Super Summer a part of your child's spiritual development. We know how important these types of life changing weeks can be in the growth of children. If your child attends Super Summer, they will have the opportunity to be trained and equipped to reach our world for Christ by starting where they are now. Super Summer gives students the opportunity to be a part of what God is doing all around the state of Texas, and even the world. Our prayer is that their experience is one that impacts their lives unforgettably and produces spiritual understanding that lasts for a lifetime. As your son/daughter joins with thousands of young people attending one of our six Super Summer sessions, we anticipate that they will build new friendships which will strengthen their Christian walk. We ask that you pray with us, beginning now, that Super Summer will be a fun-filled and spiritually significant week for all who attend.
