

Introduction – Mother’s Love and Warnings

Matthew 23 – Lessons of Warning from Jesus

Three Key Truths:

1. Honor God’s Word – Beware of Legalism (1-4)
2. Love God – Beware of Praise of Men (5-10)
3. Love Serving – Beware of Pride (11-12)

Eight Woes to the Religious Leaders

1. Beware of those who shut up the Kingdom.
2. Beware of those who steal from the vulnerable.
3. Beware of those who lead people on the wrong path.
4. Beware of those who take false and deceptive oaths.
5. Beware of those who focus on trivialities.
6. Beware of those who are impure inside and out.
7. Beware of those who appear good but lack inner spirit.
8. Beware of those who honor the dead and kill the living.

Conclusion – Are you willing to listen to the Word and take seriously the warnings of Jesus? Do you love God and His Word and keep a healthy balance of the truth? As a parent or a leader, are you modeling servant leadership to your family and people around you? Are you real for Jesus?
