

*“Now Faith is being sure of things hoped for, and soundly resting on things not seen”* according to Hebrews 11. What are you hoping for? Can you be sure? What are you trusting in even if you cannot see it with your eyes?

February focuses on Xtreme Faith from the 11<sup>th</sup> chapter of Hebrews. There will be four messages looking at Enoch, Abraham, Rahab, and the Overcomers. Each week will tell the story because stories are powerful. Each message will focus on how today’s followers can live out their story just like those in the Scripture.

Take a few minutes each day to read through Hebrews 11 and see what God has to say in challenging you to live Xtreme Faith, to be an overcomer, and to become a dangerous disciple for Jesus! Then join us each Sunday in February at 10:30am for worship and the Word. Let’s show our LOVE for Jesus by being faith-filled in February!
