News Bits

When space permits, articles from Charles Mosley's book, "The Bulletin Book" will be included in our bulletin. Charles and his family were members here many years ago.

The Long Nose

The Prevalent Face of God shows patience. A patient face is what is pictured in the Hebrew language when the Bible says God is slow to anger. The translated phrase "slow of anger" literally means "long of nose." It refers to the observation that the nose often flares when we are angry. *Long of nose* refers to not flaring up in anger quickly. God patiently helps us. How humbling! What a comfort! God, in his superiority, does not relate to us out of frustration. He is not helping us in an attitude marked by grumbling and resentment regarding of ignorance and weakness. His efforts are out of a genuine concern for our well-being and maturity. To be sure, God does get angry, but he does not come to that place in our relationship quickly.
