News Bits

Potluck after services today.

Easter Potluck, April 21 after services. If it rains it will be here at the building, if not, location yet to be decided.

In the months after the fire we were able to empty five truck loads of goods to many people. Our services did not end there. We continue to help many people. People who are still living in their cars and have no where to go. There are people who are older, have health issues, have little good food to eat, have car troubles, and simply have no answers to their situations. We have found that there are people who have no access to computers to sign up for help and if they did, they have no idea how to use nor navigate through signing up for help.

We are able to give them gift cards and in one case helped an older lady who had been living in her car since the fire with gas money to get to Texas to live with her daughter and grandchildren. Please pray that she makes it there safely.

But for the most part it is such a helpless situation. Pray for Jon as he the main contact to these people and their heartbreaking stories.

If you know of a fire victim who still needs help, there are still some gift cards available. They can call to make an appointment with Jon or come to the office between 9a.m. and 3p.m. Monday through Thursday.
