LUBC Young Adult, Youth and Children: Celebrating Growth, Worship & Resurrection Joy!!

By Ebonee Davis

Hello Little Union Family, April is here, and we are stepping into this month with so much joy, excitement, and gratitude for what God is doing in the lives of our children and youth. There is so much to celebrate from Youth Sunday to Easter preparations and exciting new gatherings ahead!

We are still smiling from Youth Sunday held on Palm Sunday! Our youth did an amazing job leading in ministry; singing, welcoming, participating, and stepping forward as worship leaders.

Watching them stand confidently and serve with joy was truly special. We are beyond proud of them and so excited to see how far they have come and how much they continue to grow. The future is bright, and these young leaders are proof of that!

Join the Movement

Our Children and Youth Ministries thrive because of the dedication and passion of our amazing volunteers—thank you for making a difference!

Dance Ministry Is Back!

The Dance Ministry is officially back, and what a beautiful team is forming! We already have some wonderful youth participating, and we would love to welcome even more.

If your child is interested in dancing and expressing their faith through movement, we encourage them to join! Please reach out to Ms. Stacy!

“Children are a heritage from the LORD, offspring a reward from him.” — Psalm 127:3

Easter Sunday Is Coming — We Are So Excited!

Easter Sunday is April 5, and we are filled with excitement as our youth prepare to take part in this powerful celebration.

Our youth will be:

- Participating in the Mass Choir
- Ministering through the Dance Ministry

We are so excited to see them worship, serve, and celebrate the resurrection in such beautiful ways. Easter is always special, but seeing our youth actively involved makes it even more meaningful. We cannot wait to witness all that God will do through them on this joyful day!

Happy Easter!

Fruits of the Spirit Journey Continues

For the past seven months, we have been journeying through the Fruits of the Spirit, learning what it means to live out God’s character in our daily lives.

As we move into April, we are excited to begin working on the eighth Fruit of the Spirit which is gentleness! Be sure to ask your children what they’ve been learning ... you might just learn something new yourself!

Young adults, we see you and we are so excited about what’s coming your way!

We are preparing to launch our Young Adult Bible Meeting, and a survey will be sent out soon to gather your thoughts and interest. We want this to be something that truly speaks to your season of life, so your voice matters. Whether you’re balancing school, work, family, or figuring out your next steps, we want to create a space where you feel supported, encouraged, and connected.

And don’t forget, our Young Adult Game Night is coming up soon, and we cannot wait! Get ready for a night full of laughter, friendly competition, and good fellowship. This is a great chance to relax, connect, and just have fun together.

We also want to hear from you: what would you love to see happening more for young adults in our church? Bible studies, outings, service opportunities, real conversations, or something totally new? Your ideas matter, and this ministry will grow stronger when your voice is part of it.

We’re excited about building something meaningful with you, not just for you.

Stay tuned... the best is yet to come!

Mass Choir Is Growing!

We are so excited that the Mass Choir has welcomed so many of our youth! It is a beautiful thing to see them lifting their voices and serving through music. Please continue sending your children; this is such a wonderful experience that builds confidence, discipline, and joy.

“Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these” — Mark 10:14
