

Breakfast with Santa and Santa's Gift Shop

Kick off your Christmas season here at FBC on Saturday, November 29th. Enjoy a yummy breakfast, make an ornament, sing some familiar Christmas favorites, and **of course**, visit with Santa from 9:00-10:30 a.m. After breakfast plan to let the kids (up to 12 years old) visit **Santa's Gift Shop** where they can shop for family & friends (open until about noon). "Personal assistants" (Santa's elves!) will help each shopper in making their purchases so that the gifts will be a surprise. **If you'd like to help as a personal shopping assistant, please contact Sheila in the church office.**

Proceeds from Santa's Gift Shop will benefit missions in Nicaragua to purchase water filtration systems.
