

The Dolls on a Mission group continues to be busy making dolls to donate all over the world! The Lord blesses not only the recipient of the dolls, but also the makers and they're thankful for the task He has given them. A variety of simple tasks is involved in the making of the dolls, so no crafting experience is needed - just a willingness to help create! Pictured right is one of the newest dolls made by the group. This cute doll will be going to someone who needs to feel God's love, we just don't know who. Beginning September 8th, Dolls on a Mission will meet on Mondays from 1-3 p.m. They are currently working to make lots of dolls for Operation Christmas boxes and for those going on mission trips. They'd love to have you join them! Consider joining the group if you would like to be part of this fantastic ministry. If you would like to have a doll(s), forms can be found in the Dolls on a Mission mailbox in the volunteer office; return completed forms to same mailbox. If

you have questions about the group or ordering a doll, please contact Brenda Reid at [gramreid3@gmail.com](mailto:gramreid3@gmail.com).
