#### **Discussion Questions:**

1. In your opinion, does hypocrisy really present as big as a problem within today's Church? If so, how do we combat it? If not, how do we get rid of its stigma in the Church as a whole?
2. How do we develop methods to win back our homes and families for the Kingdom of God?
3. Being authentic doesn't mean lying about our sins, but it does mean being honest about it. How does our honesty about the sin in our lives help new believers or the unsaved grow closer to the Lord and His Grace?
