

Dear Families,

We are excited that Logos is only a few short weeks away! If you are not familiar with Logos, it is our mid-week ministry to children and youth, kindergarten through 8th grade. At Logos this year, children and youth will have dinner together, play games, study the Bible and learn different ways to lead in worship. This semester, the program will run August 30-December 13 from 5:30 to 7:30 pm (except Thanksgiving week). December 13th is a family dinner.

This year, youth will learn about worship leadership through electives. As a part of registration, they will rank three electives in the order of their preference. We will do our best to give them their first choice. Electives will run for 6 weeks, so they will do 2 electives over the course of the semester. Our electives this semester will be Art, Storytelling, and Music.

Because Logos includes a family-style dinner each week, we do have a small fee for enrolling in the program. The church budget helps to supplement the rest of the costs of the program.

\$40 for the first child/ youth  
\$30 for each additional child/ youth

In addition to the fees of the program, we ask for families to be involved in the program through volunteering. This does not need to be a weekly commitment, although it could be. Weekly volunteer opportunities are Bible Study Helpers, Table Parents, Games Helper. You could also volunteer a couple of times each semester in the kitchen helping to prepare or clean up dinner. We will have an important parent meeting the first night of Logos, September 30, to sign up for these opportunities.

Please see the attached registration forms and return them to the church office to enroll your child/ youth in Logos this year. Remember that electives are filled on a first come, first served basis, so the earlier the forms are returned, the more likely your child/ youth will be placed in their first choice of elective.

**Covenant from church:** We covenant to pray regularly for the ministry, your child/ youth and their family. We seek to share God's love with your child/ youth through the loving adults of the involved congregations through teaching, leading, and spending time with them. We will keep you updated on dates and details of the ministry, hoping that you will engage your child/ youth regularly on what they are learning at Logos and how they've seen God.
