Thank You

Dear Church Family,

Thank you so much for the grant money to get me through this first year at The Cumberlands. Please remember me this year in your prayers while I'm off at school.

Sincerely, Anna Fay Robinson

Dear First Baptist Church,

Thank you for providing me with the academic scholarship over the last several years! I am so blessed to not only have a church family that supports me financially but has built a solid foundation of the truth of God in my life! I appreciate all of the love FBC has shown me, and thank you for your faithful giving!

In Christ, Kenlee Hope Ehr
