Thank You

First Baptist Church of Lawrenceburg,

Thank you for joining us at J-Creek this summer. We are praying the Lord continues to use the time you spent at amp to bear fruit in your ministry. We are so grateful to partner with you in sharing the Gospel with students. Please let us know how we can support you and your church throughout the year.

See you soon, Jonathan Creek Team.

Dear First Baptist Church,

Thank you for all the prayers and thoughts for me. I truly appreciate it! I am now starting to walk with a walker. It is a bit painful and slow, but progress! Cindy and Faye thank you for the brownies, word searches and notebook. It was so nice of you!

Love, Shae Whitaker

Dear Church,

Thank you church for all the thoughts and prayers that were lifted for me when I had my heart cath. It's because of all the prayers that everything turned out good.

Sincerely, Tami Zigo
