THIS IS JESUS

"Why is it you continue to call Me Lord, but do not do what I say? Here is what someone looks like who truly listens to Me and has made Me their Lord. They are like a person building a skyscraper who digs a deep foundation. When storms or attacks come, the building, their life, their business, their marriage, and their kids will stand strong! Those who hear but do not really submit to My Lordship will jack around and play like they are serious, but by not building their life, their business, their marriage, and their kids, on the revelation of My Word, will be destroyed when the storms and attacks of life come."

Luke 6:46-49 SV

THIS IS JESUS

BIBLE STUDY AUDITORS//students who have NOT graduated and don't think they could handle the homework and tests due to their work schedule or other limitations

WHY?

Because people in your family, work place, and community need you; that is why you need to attend! These classes will not only take you to the next level in your walk with God, but enable you to disciple others in your scope of influence. Going to church once, or even twice a week will not accomplish this.

DEEP KIDZ

DEEP KIDZ is provided for K-5th grade students free of charge, if parents are enrolled. Students will participate in the DEEP KIDZ curriculum, praise, worship, and have a great time. Childcare is provided for newborn-4 years old free of charge, if parents are enrolled. These babies will be cared for, loved on, and will also have a lesson taught each night specifically for their level. This is a great opportunity to go DEEPER as a family!

DEEP YA (young adult edition)

DEEP YA is provided for teenagers in grades 6th-12th free of charge, if parents are enrolled. Teenagers will participate in the DEEP YA curriculum and have fun connecting with other believers their age. This is also a great opportunity to go DEEPER as a family! Teenagers who do not have parents enrolled in DEEP can pay $20.00 to attend.

HERE IS WHAT GRADUATES ARE SAYING ABOUT DEEP BIBLE TRAINING CENTER!
