Worship Lyrics, 04-02-21**

Amazing Love (You Are My King)

Amazing love, how can it be?
That you my King would die for me?
Amazing love, I know it's true
It's my joy to honor you
In all I do, I honor you

You are my King

You are my King

Jesus, you are my King

Jesus, you are my King

How Deep the Father's Love for Us

How deep the fathers love for us
How vast beyond all measure
That He should give his only son
And make a wretch His treasure

How great the pain of searing loss
The Father turns His face away
As wounds which mar the Chosen One
Bring many sons to glory

Behold the Man upon the cross
My guilt upon His shoulders
Ashamed I hear my mocking voice
Call out among the scoffers

How Deep the Father's Love for Us

It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished

When I Survey the Wondrous Cross

When I survey the wondrous cross
On which the Prince of glory died,
My richest gain I count but loss
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,
Save in the death of Christ, my Lord;
All the vain things that charm me most
I sacrifice them to His blood.

See, from His head, His hands, His feet,
Sorrow and love flow mingled down;
Did e'er such love and sorrow meet,
Or thorns compose so rich a crown?

Were the whole realm of nature mine,
That were a present far too small;
Love so amazing, so divine,
Demands my soul, my life, my all.

Grace Flows Down

Amazing grace
How sweet the sound
Amazing love
Now flowing down
From hands and feet
That were nailed to the tree
Grace flows down
And covers me

It covers me

It covers me

It covers me

And covers me

My Jesus I Love Thee

My Jesus I love Thee; I know Thou art mine.
For Thee all the follies of sin I resign.
My gracious Redeemer, my Savior art Thou.
If ever I loved Thee, my Jesus, 'tis now.

I love Thee, because Thou hast first loved me,
And purchased my pardon on Calvary's tree.
I love Thee for wearing the thorns on Thy brow,
If ever I loved Thee, my Jesus, 'tis now.
