

What is Mops?

Here at MOPS, we gather moms. We believe in the simple but revolutionary idea that remarkable things happen when moms

come together.

That is why MOPS rallies women, in their own neighborhoods, to help them become more brave, kind and honest, one gathering at a

time. So, whether you are an adoptive mom, young mom, seasoned mom, foster mom, step mom, or any other type of mom, you are welcome here.

What to Expect

Our monthly meetings are a place to relax, chat, and to connect with other moms. A MOPS meeting includes practical teachings through videos, group discussions and creative activities.

Food & Drink

We can't meet without snacks & coffee!

Members volunteer to bring a morning snack. We also offer coffee with regular milk.

Curriculum

Each meeting will have a topic to discuss ignited by powerful videos provided by MOPS International.

Fellowship

Meet other local moms to talk with, laugh with, share advice with, and relate to. You don't have to do mothering alone!

Childcare Available

During meetings, your little ones will be cared for by MOPS Kids providers who will teach the MOPPETS kids curriculum so you can relax and have a whole conversation while your coffee is still hot! Register starting August 26th.

How your life will change this year

Every year, MOPS International provides each group with content that centers around a life changing theme

to the full

Are you breathing just a little, and calling it life? Sometimes we need the reminder that life is meant to be lived to the full. That it is OK to enjoy ourselves, to let our hair down, to worry less. Because as far as we can tell, this is exactly how God intended for us to live - fully and abundantly.

Sisters, this is our chance for a fresh start. Here's to a year of living the full life. Full of fun, joy, refreshment, trust and rejuvenation. May we together, live life TO THE FULL.

The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

John 10:10
NIV

We Will Learn To

Fear Less

Bring our courage to life. We will let go of fears of what other people may think or say about us and choose faith over fear.

Have More Fun

When life gets hectic, fun is the first thing to go. We are going to remember how to enjoy ourselves and take a breath of fresh air.

Find Our People

Life to the full happens best with people by our side. These people include our neighbors and others in the community. We need them and they need us. Let's join together as moms, side by side, living life to the full!
