

Choosing a Ministry Team

Which ministry are you going to be a part of? You choose three. Place a 1 by your first choice, a 2 by your second choice and a 3 by your third choice. Be advised that you may not get your first choice. The purpose of this is so that we can adequately prepare for the number we have ministering in each area! **(If you are an adult leader please consult with your group leader and check which one you are intending to serve in.** If you are an adult and plan on being a designated driver please make that note at the bottom of the application.)

_____ **Team Everyday Acts:** This is 4 days of traveling around the city, looking for an opportunity to provide random acts of kindness. These acts range anywhere from handing out bottled water to those in need to carrying groceries at local stores. This ministry opens many doors to those in the city that need help in many different areas. The purpose is to show others simple acts that are given out of a love for Christ.

_____ **Team Car Wash:** We want all the cars of Olympia to sparkle! This will require you to do some hard work in the hot sun, with a bunch of other teens. This ministry opens up many opportunities to share Christ with totally unchurched people. Just as the car wash is free, it is easy to share with the community how salvation is a free gift from God.

_____ **Team Construction:** Team Construction loves to work with their hands and get a little messy. During the four days of Cityreach there will be multiple construction projects across the city ranging from gardening to building. There is no need for construction experience here, each team will be guided through each task. What is needed is a servant's heart who is willing to work hard and get a little dirty.

_____ **Team Back Yard City Club:** Channel your inner child at heart in Back Yard City Clubs. This ministry involves hosting a mini vacation Bible school in the backyard of a church member. There is no shortage of energy in this group as you teach, sing and dance, and get creative with kids in the neighborhood. The opportunity to be an encouragement to a child is waiting for those who have a heart for working with kids.
