

Choosing a Ministry Teams

Which Ministry are you going to be a part of? You can choose three. Place a 1 by your first choice, a 2 by your second choice and a 3 by your third choice. Be advised that you may not get your first choice. The purpose of this is so that we can adequately prepare for the number we have ministering in each area! **(If you are an adult leader please consult with your group leader and check which one you are intending to serve in.** If you are an adult and plan on being a designated driver please make that note at the bottom of the application.)

____ **Team BLETZ:** This year we are combining Team BLESS and Team BLITZ into one encompassing door-to-door ministry. Sometimes the easiest way to love others is to pray for them. The BLETZ will purposefully encounter others in order to pray for their needs. At times when door-to-door is at an inconvenient for the neighborhood. Team BLETZ will hit the pavement hard and canvas the neighborhood with door hangers and information about New City Church. If you are brave enough to talk to strangers, or if you know you need a gut check to overcome your fears, or if you are wanting to double your steps for the day, give this ministry track a try.

____ **Team Totally Free Car Wash:** We want all the cars of Anaheim to sparkle! This will require you to do some hard work in the hot sun, with a bunch of other teens. This ministry opens up many opportunities to share Christ with totally unchurched people. Just as the car wash is free, it is easy to share with the community how salvation is a free gift from God

____ **Team Construction:** Team Construction is focused on service through working through hands-on construction projects. Be prepared to get dirty and work hard in this ministry. The service projects may range from yard work to building a deck. While this ministry centers around working with the hands, the Gospel of Christ still shines through as people from around the community notice the sacrifice people are making to help a family in need.

____ **Team Everyday Acts:** This is four days of traveling around the city looking for opportunities to perform random acts of kindness. These acts range from handing out bottled water to helping carry out groceries at local stores. This ministry opens up many doors to share the love of Christ to the lost in Anaheim that are in desperate need of seeing the Gospel in action. The purpose is to perform simple acts that are done out of the love for Christ.

____ **Team X-Camps Active:** X-Camps (Active) is a sports day camp designed to teach young people basic fundamentals of sports, such as soccer or basketball. It also gives you a great chance to mentor a child one on one. If you are willing to sweat, this is your team.

____ **Team X-Camps Creative:** X-Camps (Creative) is an art day camp designed to encourage the artistic and engineering abilities of a child through traditional Art Camp and Lego Camp. If you like to draw, paint, glue or build with Legos, this is the place for you.

____ **Team X-Camps Jr:** X-Camps JR is similar to a day at vacation bible school for younger kids. This club is fast-paced with many different stations. Stations are active, creative, and educational. If you have a way with younger kids, we need you at X-Camps JR.
