

## SANDIA FELLOWSHIP WEEKLY NEWS

**December 24, 2025**

### **Merry Christmas**

The waiting is almost over. The celebration of our God incarnate is upon us. I certainly hope that amongst the hustle and bustle of the season that important historical moment is not lost.

When exactly was Jesus born? Well, nobody knows for sure, but there are some interesting thoughts on the matter. How did we arrive on December 25th? Recently Pastor John and I read a Christmas book by R.L. Solberg called "Full of Grace & Truth – The Biblical Roots of Christmas." It's an amazing book and I recommend it to all.

In the book he informs us that Hippolytus of Rome suggested December 25th for symbolic reasons. This reasoning comes from what's known as the "integral age." That is "the belief that prophets lived in complete life cycles, dying on the same date as their birth or conception." Hippolytus and others believed that Christ died on March 25th – therefore, if that was His conception date, 9 months later would be December 25th. Thus, Christmas Day.

But the other day I saw a video of people discussing the birth of Jesus and it was some very good food for thought. The people on the video suggested that Jesus was born in spring. Why? Well, we know that there were shepherds out on the night that Jesus was born and were the first to praise the Incarnate God. In the Talmud, Rabbis say that the shepherds would only be out in the field at night around March or springtime. Why were they only out at night with the sheep then? This is because spring is the only time of year that lambs are birthed. So, day or night they needed to be sure to be there if there was a birth. How perfect really – Jesus is the sacrificial lamb, and that He would also be born during the same time as the lambs really seems fitting.

Now to tie it back to Hippolytus and his “integral age” reasoning – he obviously decided to go with the conception rather than the birth, but if he had gone with the birth being the same date as death, this would certainly still fit his model.

I really found this fascinating, and I hope it sparks interest of your own to investigate more thoughts on the matter.

Regardless of when our Lord was born, I pray that all of us have a safe, blessed Christmas and that Jesus is at the forefront of our joy and celebrations this season. The tabernacle is now our hearts. God is with us. Hallelujah and amen.

In Christ,

**WORLD CHANGERS: The Book of Acts**  
**New Series Begins January 4**

They did the impossible. How in the world could a small band of persecuted believers eventually overcome the dominating Roman Empire and a poly-theistic pagan culture with a belief in one Creator God? Christianity's rise in the Roman Empire wasn't a sudden takeover but a gradual transformation, overcoming the Empire through its compelling message, community, and eventual imperial endorsement. It was a result of the power of the Holy Spirit released through these humble and faithful servants who became the World Changers. In this twelve-week series on the Book of Acts beginning January 4, we will discover and be challenged by the amazing characters of this colossal, world-transforming event.

## GUIDELINES ON YEAR-END GIVING

We are so thankful for everyone who has been faithful to support the ministries of Sandia Fellowship through your giving to the general budget.

If you would like to **receive credit for donating in 2025**, please submit all electronic donations by December 23. The last day to submit all cash and check donations at church is Sunday, December 28.

**If you want your giving to count for 2026**, please wait to give until Sunday, January 4 (or if giving online, please wait until January 1 or after -- otherwise your gifts might end up in the bank before 2026).

## A LIFE GROUP RESOLUTION FOR 2026

If there was ever a great time to start involvement in a Life Group and for us to grow in our call to discipleship, then the beginning of a new year is a great time for this. Beginning in 2026, we will have eight Life Groups for anyone to join in and get to know and grow with other members of Sandia Fellowship.

Life Groups are the best way to develop friendships in our church and offer your gifts and graces to be a blessing to others. If you are interested in joining a Life Group, click [here](#) to find a particular Life Group that you would like to participate in. Then, [email us](#) the name of that Life Group and Holly will put you in contact with the leader of that group. Some groups meet at night, some during the day, and some on weekends.

### NEW LIFE GROUP: THE STORY

There is a new Life Group starting this January that is based on *The Story* which is an abridged, **chronological Bible** that reads like a novel. For those intimidated or overwhelmed by reading through the entire Bible in a year, this is a great option. *The Story Life Group* will be meeting on the **first and third Monday of each month at noon** at our church office building. We will offer a **Zoom option** if you are unable to travel to meet in person. *The Story* book will need to be purchased in advance of the first meeting that will be on January 5. If you are interested in participating in this class, **PLEASE SIGN UP** by clicking [here](#) today.

## **BUILDING OUR FUTURE - UPDATE**

In the building update provided a couple of weeks ago, we indicated that the renovation costs were significantly higher than originally expected. The Leadership Team made some immediate decisions to reduce costs. Also, various team members are pursuing some additional cost reductions while other team members are investigating supplemental funding options. To start construction as soon as possible we are pursuing a two-phase option that would allow completion of the worship center and nursery/children's area first and then the fellowship hall area to follow. While we almost have enough funds to complete the entire renovation, it would deplete all our current financial resources of which we are trying to avoid. We are believing that by the time the renovation will be completed we will have the necessary funds in place to meet expenses. However, we are wanting to always do our best to be prepared for less-than-ideal circumstances. Your prayers on this are greatly appreciated.
