What stood out to you from this text and sermon?

In what ways have you seen God deliver you?

Our Lent theme for this week is **PEACE**.

If you have placed your faith in Jesus, who finished the work to pay for your sins, you are at peace with God. (Rom. 5:1, Eph. 2:13-17).

What challenges are you experiencing that attack your peace?

May you allow the peace of **KING** Jesus to rule over your heart and mind this week.
