

Our 1 year old preschool class uses The Wee Learn curriculum for Toddlers. We keep our class size for this age to 5 children per teacher, with a maximum of 10 students and 2 teachers. Children are introduced to many concepts through play, story time, art and music. This is a no-pressure class where children have fun and learn to love school.

Many of the things introduced in our 1 year old class:

Social/Emotional Development:

- Building relationships with teachers
- Separation from parents
- Sharing and playing with others
- Following directions
- Participating in a group and taking turns
- Participating in cleanup

Language & Math Readiness:

- Beginning colors
- Beginning shapes
- Vocabulary through activities, books, puppets, felt boards
- Bible stories, traditional stories, nursery rhymes
- Counting
- Matching
- Sorting
- Identifying animals and sounds
- Identifying everyday objects

Fine Motor & Gross Motor Skills:

- Puzzles, manipulatives
- Stacking blocks
- Balls
- Playground daily as weather permits for climbing, running, etc.
- Indoor playroom used in inclement weather

Creativity:

- Crafts for introducing colors and textures
- Songs and creative movement
- Home living center and pretend play
