

Our 2 year old preschool class uses The Wee Learn theme-based curriculum. Each week has a different theme on which the stories, crafts and activities are based. We keep our class size for this age to 10 students and 2 teachers. Children are introduced to many concepts through play, circle time, crafts and music.

Many of the things introduced in our 2 year old class:

#### Social/Emotional Development:

- Building relationships with teachers
- Separation from parents
- Sharing and playing with others
- Following directions
- Participating in a group and taking turns
- Participating in cleanup
- Self-awareness

#### Language & Math Readiness:

- Color of the month
- Shape of the month
- Bible verse of the month
- Prayer before snack time
- Vocabulary through activities, fiction and non-fiction books, puppets, felt boards
- Bible stories, traditional stories, nursery rhymes
- Counting
- Matching
- Sorting
- Comparative sizes (big, little)
- Spatial relationships (above, below, behind, on, under, etc.)

#### Fine Motor & Gross Motor Skills:

- Puzzles, peg boards, Legos, bristle blocks, crayons, etc.
- Playground daily as weather permits for climbing, running, etc.
- Indoor playroom used in inclement weather

#### Creativity:

- Crafts for introducing colors, textures, following directions, pride in one's work
- Songs, finger plays
- Music, instruments, creative movement
- Home living center and pretend play
