# Be a G.E.M. in 2020 Give Every Month to Bridge the Gap for Our Girls

Imagine with me the daily - even hourly - reality for a girl who has been trapped in the dark world of human sex trafficking. The nightmare many of us can only begin to imagine is real life for far too many girls in Georgia. In fact, stats have shown that 100 girls are victimized EVERY NIGHT in Georgia alone and 200-400 are sold online every month! (Source: Anaya Pollard)

**“Be a part of the change you want to see in the world!”** Together, you and I can work towards providing not only a way out of victimization, but an opportunity and clear path for girls who come to House of Hope to move beyond victimization, and even beyond survival, to a life that THRIVES!

As a member of the GEM Circle, your partnership allows House of Hope’s team and our community to link arms with one another to empower these amazing young women to reclaim their lives and take their first steps toward a future worth looking forward to.

How does this work? ***We are glad you asked!***
