

The Jesus Way

DISCUSSION GUIDE | March 1, 2026

BIG IDEA

Systematic generosity breaks the power of greed.

Message title: *The Challenge of Self-Storage Units*

Scripture Reading: Matthew 5:27-30 NIV

Jesus identified greed as an enemy of the heart that quietly reshapes our relationships and priorities. Fortunately, He also offered a remedy to greed— practicing a preplanned rhythm of generosity.

1. *What were you taught about generosity while you were growing up?*
2. *Why do you think greed is so hard to recognize in ourselves compared to other sins like pride or anger?*
3. *Jesus said “Life does not consist in an abundance of possessions.” In practical terms, what does our culture suggest life does consist of?*
4. *What might you be “storing” (physically or emotionally) that is keeping your heart tied to temporary things?*
5. *What fears or hesitations surface when you consider committing to giving away a percentage of your income?*

THIS WEEK'S CHALLENGE

Consider choosing a predetermined percentage of your income each month and give to something that reflects the heart of God.
