

MESSAGE: One For the Win

TEXT: Ephesians 4:1-6, John 17:11-21 NIV

BIG IDEA: The church is called to exhibit unity amid diversity.

DISCUSSION QUESTIONS

The unity amid diversity of the early church intrigued the ancient world. Ours should do the same in our time.

- 1. How much diversity of opinion have you experienced within churches?*
- 2. Why do you think it's so tempting for churches to establish organizational opinions and reject those who don't share them?*
- 3. Did it surprise you to learn that Jesus' greatest priority for His church was unity? Why or why not?*
- 4. In your opinion, how has our current political climate damaged people's perception of church?*
- 5. How might you approach the upcoming election season in a way that honors what Jesus' desires for His followers?*

CHALLENGE

This week, spend some time praying for continued unity amid diversity within our church and that God will use us to help more people find and follow Jesus.
