## Garden Club

We heard from 4 students in 5<sup>th</sup> grade about weekly Garden Club. Two students from each 3rd-5<sup>th</sup> grade class meet weekly on Wednesdays during second recess. They have made salsa, tasted pickles, and identified the plants in the garden. We are in the planning stages for spring planting and growing seedlings for the winter.

## DHHS Update

Due to the Michigan Budget Cuts, the DHHS program, Pathways to Potential which placed DHHS workers in schools has been cut and an alternate program for additional supports in CPS has been approved. Our DHHS worker, Mrs. Patti, has secured a new position in KSSN and will be working in Kentwood Public Schools at Glenwood Elementary. Patti's last day at Sibley is Friday, October 16<sup>th</sup>. Wishing her all the best in her new role!

We still do not know the exact end date for P2P program, but we do know that Sibley will not get another worker.

## Congrats, Lesvia!

Our longtime Parent Action Leader, Lesvia Marroquin, is scheduled to take her citizenship test later this month. Sending warm words of encouragement!

## Walk to School Day

We had our annual Walk to School Day on October 2<sup>nd</sup>! Staff, students and community partners walked students to school from both Lincoln Park and Bridge Street Market. The police department and fire department were alongside us for safety.

We set a record for participation and had 107 students walk to school together! All students received a donut and celebrated Count Day together.
