

Teaching Ministries

Lifelong learning builds faith! Manchester First United Methodist Church offers Christian Education for all ages in several formats. On Sunday mornings, Christian principles are taught and encouraged for all ages, beginning in our nursery, during the Children's Sermon in our Sanctuary worship service, and in Children's Church following the Children's Sermon. During the week, small-group Beta cells meet in members' homes for study and fellowship. On Wednesday nights "Parable Place" combines music with Christian education for children through grade 6. (See the Music Ministry Brochure). The youth meet on Wednesday evening as well and we offer several relevant adult studies on Wednesday evenings. We invite you to become a part of our lifelong learning programs!
