**New Associate Youth Minister**

**Nikka Horschig** is a small town East Texas girl who attended Harding University and graduated with her Bachelors in Mid-level Education. Following graduation in 2013, she returned back home to Texas and began her teaching career in math. In the same year, Nikka married another Harding University alum, Justin, and they are now parents to 3 1/2 year old McKinlee, who is the joy of their lives. While in Texas, Justin and Nikka paired together working with their local Church family as part time youth ministers to serve the students of their school and community. Both, Nikka and Justin, have taught and coached for the past 5 years and education brought them to NWA in July of 2017 where they worked for Rogers Public Schools.

Children and teaching have always been a passion of Nikka’s in many capacities; camp counseling, local youth ministry, and education, both, locally and overseas. She has fervently prayed to always follow where the Lord leads and Nikka believes the Lord has purposefully orchestrated her to serve at a higher capacity alongside Bentonville Church of Christ. Nikka is elated to work with the ministry team and honored to have the opportunity to help grow the Bentonville Youth Group into strong Christian leaders.

Whitney is a full-time mom, and Jesse owns and runs Bentonville Retail Consultants. Jesse enjoys mountain biking, soccer and tennis; Whitney enjoys reading, paddle boarding and volunteering. The boys enjoy soccer, tennis and games. We are so glad to have the Hull family with us and know that you will warmly welcome them.
