about community groups...

At Frederick Boulevard Baptist Church, we exist to help those who are disconnected from God to become committed followers of Jesus Christ. One of the ways we seek to help people connect with God and His church is through what we call Community Groups. A Community Group is a small group of approximately 15 to 25 people who meet together for the primary purpose of Bible study and accountability. The people who make up a Community Group may vary in age, gender or marital status. This affords the opportunity for every person to have a place that fits and meets their needs. The Bible says that as iron sharpens iron, so one man sharpens another. We invite and encourage you to connect to the Lord, His church and His people by committing to be a vital part of a Community Group.

Welcome to FBBC Kid's Life Department!

Come,
check
us out!

During the 9:00 am Community Group time

we offer childcare for babies, ones and two's; which is basically how our two nursery rooms are divided. We have wonderful volunteers to look after your little ones while you are visiting a Community Group. Please alert our desk worker of any allergies or special instructions that will help in the care of your child. Please be sure to mark your diaper bags, pacifiers, bottles, sippy cups, etc. Sharpies and labels are provided at the nursery desk!

For children ages 3 years through 6th grade we offer age appropriate curriculum and classes for each age/grade during the Community Group time. The 3 year olds through 2nd grade have class in the Preschool area which is located in the South wing of the main building. There will be a desk worker to greet you as you approach this area, to help your children settle into the appropriate class. If you have children in 3rd through 6th grades, their classes will be in the main hallway by the nurseries.

Our 5th and 6th grades are combined classes, but split by gender. The boys have a male teacher, and the girls have a female teacher, which seems to work out beautifully for our preteens!

See you Sunday!

During the Worship

Service on Sundays, at 10:15 am, we offer full nurseries for babies through two's. Should you choose to keep your child with you during the Worship Service, there is a cry room located in the northern section of the Worship Center if the need arises. There are rocking chairs, a few toys, and the room is dimly lit, with a large one-way window so you may still see and hear the Worship Service!

We would like to welcome all preschool, Kindergarten and first graders to **Kids' Worship**. Kids' Worship is held in the preschool area in the South Wing. Your child will start out with a large group of children who have the opportunity to Worship Kid's Style! They will participate in fun worship songs designed just for kids, take up an offering, pray, and experience corporate worship. In order to communicate on their level, we break off into classes with age appropriate curriculum.

Again, we are so excited you have chosen to meet with us today! If you have any questions, there are many capable volunteers to assist you, but feel free to ask for Chris Ellis, I'm the Children's Director, if you have additional needs or concerns! Thank you for coming, we are blessed to have you attend, and it is our prayer that you have felt welcomed and cared for, and that you will visit again very soon!

The youth ministry will be placing items frequently on the black rack next to the nursery desk area so that parents will be able to see what is going on with the students. This is to also connect to the church.

college & young adults

At Frederick Boulevard, we desire to reach out to the college students at our doorstep with the Gospel. By rubbing shoulder-to-shoulder with the body of Christ, our desire is that college students can grow theologically deep, be trained in sharing about Jesus, and be disciple-makers on the campus of Missouri Western State University.

College Student, our church family loves you and wants to invest in you. Come and hang out with us on Sundays! In addition to Sunday services, once a month we get together for a college lunch prepared by one of the adult community groups. We also encourage our college students to plug into one of the adult community groups on Sunday mornings, or meet for discipleship in the Atrium during Community Group Hour. Our fellowship is open to all college and young adults, and we strive to connect with all ages in the church as we learn to grow in and serve Christ together!
