

"Taste and See that the Lord is good; blessed are those who take refuge in him." Psalm 34:8

Dear Pastor and Women's Ministry Leader,

We are excited to announce our **10th annual Share the Scoop conference** for women **August 26, 2017**, at St. Paul's church in Tracy. This year's event will be titled, *The Overflow Conference*, featuring guest speaker Rhonda Stoppe, the No Regrets Woman.

Scoop Ministries began as a women's church event at St. Paul's. After the first year, Becki Brown felt called to move it into the community. The purpose was to bring together Christian churches in the community to share the love of Jesus Christ with all women. Our 100% volunteer run, non-profit is funded predominantly by individual donors. Our mission is to plant the seeds of the Lord's truth, share the Word of God and help women who may be in a short-term financial crisis. Over the past 10 years we have been blessed to offer \$32,342 in total grants, serving 46 women and 5 organizations.

Here is a recent testimony from a conference attendee:

"As I continue my walk to get closer to God, I realize just how much I don't know. Every time I do a study, I learn so much and realize why something is, or isn't happening in my life. I realize the importance of staying close to His Word and I'm constantly amazed at each revelation of what God wants for me. Staying connected with other women who study His Word has drawn me closer to the Lord and all his glory!" 2017 His Scoop Study gal ~ MaryAnne

The mission of Scoop Ministries is to: *Fan out into our community and beyond to reach all women, so that the flavors of Jesus Christ can be shared.*

We hope we can count on your church to partner with us in the great ministry by participating in any of the following: Being a financial partner, helping us promote the conference, selling tickets at your church, donating a raffle basket or praying for the conference and the women who will be attending. We have seen such an outpouring of blessings in the lives of the women who attend. We truly thank you for your support in any of these areas.

Sincerely,

Gina Wright
