Study Questions to Go Deeper with God:

1. **Where do we tend to be tempted to rely on our performance instead of Christ's finished work?** Read Galatians 3:10–14 again and also Romans 3:20–24. Paul makes it clear that “all who rely on works of the law are under a curse.” In what subtle ways do you still try to earn God's approval (morally, spiritually, or even in ministry)? How does Christ becoming a curse for you reshape your daily sense of acceptance before the Father?

2. **What do you think it practically means for us to live as a son/daughter rather than a slave?** Read Galatians 4:4–7 again, also Romans 8:14–17. Through Christ, we are adopted—not just forgiven. How does viewing God as your Father (Abba) change your approach to prayer, obedience, and identity? Where do you still relate to God more like a servant earning wages than a child enjoying relationship?

3. **How do you think the Holy Spirit helps us experience—not just understand—God's grace?** Read Galatians 3:2–5 again, and read Titus 3:4–7. Paul reminds us that we began by the Spirit, not by works. In what ways are you depending on the Spirit's ongoing work rather than your own effort? What practices help you stay rooted in grace so that your growth is Spirit-empowered rather than self-driven?
