

Together as Good Citizens (3/21) *Romans 13:1-7*

Journal Prompts:

- What has been the *biggest change* you have had to make this past week? Which has been the hardest? The easiest?
- How did God use Pastor Mike's message to *encourage* you?
- How did God use Pastor Mike's message to *encourage others through you*?

Digging Deeper:

- For however long we have to be off of school or away from church & youth group, remember Acts 17:24-28 - *"24 The God who made the world and everything in it is the Lord of heaven and earth and does not live in temples built by human hands. 25 And He is not served by human hands, as if He needed anything. Rather, He Himself gives everyone life and breath and everything else. 26 From one man He made all the nations, that they should inhabit the whole earth; and He marked out their appointed times in history and the boundaries of their lands. 27 God did this so that they would seek Him and perhaps reach out for Him and find Him, though He is not far from any one of us. 28 'For in Him we live and move and have our being.' As some of your own poets have said, 'We are His offspring.'"*
- If God doesn't live in temples or churches made by humans (vs.24), *how does the world experience God and connect with Him* (vs. 25-27)?

Reaching Out:

- God has placed you in your communities, apartment buildings, friends groups, and even families in order for you to reflect His love, His light, and His Hope! *What are some ways* for people to experience God and His love while they can't go to church right now because of Covid-19?
- *Make a list of the people or families* that God has literally placed around you (in your neighborhood, apartment building, family) that you can remember to check in on over the next few days.
- Now *spend time praying* for each house or family and ask God to show you how you can be a good citizen to them in order to help bring the care and kindness of God to those who feel overwhelmed, unsure and forgotten.
