This league will practice for one hour per week starting at the end of November and play one game per week starting in January 2022. The emphasis continues to be on teaching skills and having fun. However, score will be kept (certified officials will call the games) and teams will play in a tournament at the end of the season to determine the championship team for each league. Teams will be built using skills assessment drills observed by coaches in each league. Coaches will then draft players for their respective teams based on those assessments.

## **Competitive League**

### **Assessment and Draft**

**4<sup>th</sup> Grade Boys, 5<sup>th</sup>/6<sup>th</sup> Grade Boys, 5<sup>th</sup>/6<sup>th</sup> Grade Girls, 7<sup>th</sup>/8<sup>th</sup> Grade Coed, High School (9<sup>th</sup>-12<sup>th</sup>) Coed**

**Players must be registered prior to the assessment and draft date in order to be assessed. Registrations will not be accepted on the day of the assessment/draft.**

- Players will check in and be given a number to wear during the assessment.
- Coaches will have a spreadsheet with those numbers and the player names.
- Coaches must name their assistant prior to the assessment. (No more than one.)
- Players will be assessed by individually performing drills which will include dribbling, jump shots, and layups, passing, etc.
- Additional drills or pick-up games may be used for further evaluation if time allows.

### **Draft Procedure**

- The draft will take place directly after the assessment. Players will not be present for the draft.
- Predetermined selections:
  - If only the coach has a child on the team, that team loses its 3rd round pick...this may change.
  - If only the assistant coach has a child on the team that team loses its 3rd round pick...this may change.
  - If both the head coach and the assistant coach have a child on the team the team loses its 3rd and 4th round picks...this may change.
  - If one or both coaches have multiple children, the team will lose picks always beginning in the 3rd round...this may change.
  - All registered players that did not attend the assessment will be assessed by the coaches/ShepNaz Basketball personnel and ranked based on athleticism/skill level. After the drafting of the players that attended the assessment is complete, the list of ranked registered players will be used in completing the draft. Lastly, any player that coaches/ShepNaz Basketball personnel do not know, their names will be put "in a hat" and blindly drawn and assigned to the team with the next pick.
- After the predetermined selections are made, coaches will randomly pick for draft order and will continue in "snake" fashion.
- Coaches will have 30 seconds per pick.
- If one sibling is drafted, that team is assigned both children and loses its next pick.
- Players who sign up after the assessment will be assigned to the team with the next pick.
