Psalm 13

Suggested Worship Song: "Psalm 13" by Shane & Shane

1. To what extent are you honest with God in your prayer life? Why is it so important to be honest in light of this Psalm?

2. Sometimes we need to encourage ourselves and preach to ourselves just like David is doing at the end of this Psalm. He shifts his mindset and decides to trust in the Lord's unfailing love regardless of his circumstance. What truth do you need to be preaching to yourself right now in your current circumstance?
