Psalm 94

Suggested Worship Songs: "Fighting For Us" by Anthony Evans

1. How does verse 1-7 describes the world's attitude toward God? How does the rest of this Psalm encourage us as believers?

2. It's sometimes hard to believe that our God is a fair and just God when there is so much injustice happening within our lives and all around us. What's something in your life that has happened, or is still happening to you, that is unfair or unjust? How can you consistently shift your mindset to surrendering to God in light of this Psalm?
