

# Remembering Harvey

## Psalm 9.1-10

Rejoice – praise – exult...but WHY?

### **God cares about us personally**

Throughout, we saw brokenness, redemption, restoration

CLEMONS

Lesson: we can take everything to Him because He's God over Everything

### **God is handling the big stuff**

STATS

Lesson: we can do more than we ever imagined we could

We find it's compelling to others – Amy White: "I heard from people all over, 'We heard Heritage Park was doing something and we want to help'"

BRENDA

### **God is still God**

Pace of change or current circumstance = God has forgotten me

Same God who was faithful then is faithful now / good / powerful / for you

DELL TEAM – NENA "God shows up in socks" – TRAILERS – UNSUNG HEROES (because God was at work in ways not many – if any – saw)

Lesson: God is bigger than we thought

### **God is a stronghold**

Lesson: God loves this community

How will He show that love? Through us

But I'm not useful - DONNA

What would usefulness look like? CARL CHAVERS

He has never forsaken those who seek Him – BIBLE SoS 8.7

Questions for Discussion:

1. What's the one story you tell from Harvey when people ask?
2. How do you know God differently now because of Harvey?
3. Is there something big going on in your life right now you are trying (struggling?) to let God handle? Read 1 Peter 5.7. How can you "cast your cares / anxieties" on Him? What would it look like for you to experience "because He cares for you?"
4. What is one way you think Harvey changed you? Changed our church family?
5. Read Psalm 9.10 aloud as a group. What is one way to trust Him this week? To live as the unforsaken ones?
