

Unashamed

Part 2 – Location, Location, Location

John 4.22-24

Rom. 1.16 – those who experience grace deeply express passion boldly

Location: IN SPIRIT

- It does not matter where your feet are but where your heart is
 - Gerazim vs. Jerusalem – Temple vs. High Places
- The externals matter to the degree that they reflect the cardio-dynamics
 - Cardio-dynamics: joy, longing, sorrow FAJITAS
 - Q: does this affect your body / posture? Absolutely – FREES IT

Location: IN TRUTH

- We do not get to define God for ourselves or ourselves for God
 - Samaritans: accepted Pentateuch, rejected rest of OT – they lived as they wanted and expected God to come along for the ride
 - Jews: accepted it all but missed its meaning – they lived as prescribed but got lost in national identify and preserving tradition, expecting God to be glad He was on their team

Who is God (and who are we)?

- He is the pursuer and we are the pursued
- He is the worthy one and we are the worshippers
- He is the Father of all and we are His creation
- He is the Messiah and we are the rescued

Questions to Ponder

1. What is your favorite way to express worship to God?
2. Which is a greater temptation for you: to define God for yourself or define yourself for God?
3. Is it harder for you to believe that God is the Pursuer or that you are His pursuit? Why?
