

A Child Like Me [Lyrics]

[Child Solo] by Wes Ramsay and Melodie Tunney

VS 1

If You had come on a big white horse,
So mighty and so strong,

I might have been afraid to talk to You,
Afraid that I'd say something wrong.

But when You came the way You did,
To such a simple place,

You let us see an awesome God
With a sweet and tender face.

Chorus

And You made it easy for everyone to come,
'Cause everyone loves babies,
Even God's own Son.
And You wrapped Your Power
In sweet simplicity.
Jesus, I thank you for coming
As a child like me.

Bridge

You wrapped your power
In sweet simplicity.
Jesus, I thank You for coming
As a child like me.

like me.

Lord Jesus, I thank You for coming as a child
like.....
me.....
