TAKING IT HOME

1. This week's talk highlighted Jesus' teaching in **Matthew 22:34-40** as the filter that we view, interpret and put into practice the rest of the Bible. Read that section of verses together and discuss how viewing the Bible through that lens effects what you read, how you understand and how you apply what you learn.

2. If we are to use the life, teachings and character of Jesus as the primary filter for which we view scripture- that means that we need to know about the life, teachings and character of Jesus-Spend some time with your group listing off some things that you know about the life, teachings and character of Jesus that may effect how you view scripture.

Fill the box below with adjectives about Jesus:
