TIME: 6:30pm-8:00pm
WHERE: Sugarloaf United Methodist Church
Come join us for a great time!!
Costume Contest – Hay Rides
Games - Food - Interactive DJ

Art Show Coming November 12th

Your child will create a wonderful original work of art in class which will be sent to Artomé to be matted and framed! In October you will be receiving a flyer promoting our second annual Art Show to be held right here in the hallways of our preschool! The school receives a portion of the sales as a fund-raiser. We appreciate your considering purchasing your child's artwork. They will be available for the holidays so they will make great Christmas gifts!!

Please drive slowly during drop off and pickup. In particular, please enter the S. Scales entrance with caution. As many make a right into the parking lot they have put children in danger by using excessive speed. Thank you.

PUMPKIN PATCH

On October 16th and 17th the children will be participating in our Pumpkin Patch!!!! We will have games, a bouncy house, and each child will choose their own pumpkin to take home. Jackie could use a few volunteers to make this event happen. Please email jackie@sugarloaf.org if you could spare a couple of hours on those days.

During the month of October we concentrate on pumpkins, leaves and spiders, avoiding all the scary aspects of this season!

FAST FACTS: Things You Need to Know during October !

- ♦ FALL BREAK NO SCHOOL 10/4 through 10/8
- ♦ Firetrucks will be at the school 10/22 & 10/23.
