FAMILY MINISTRY PROGRAMS

LIL' SPROUTS (INFANT – KINDERGARTEN)

Provided with a safe and loving environment where they can explore and feed their natural curiosity, our babies & toddlers get to play while listening to music, hear a Bible story, enjoy a snack and make friends. Volunteers are ready for check-in at the Nursery counter on the main level @9:45am.

VINE KIDS (1ST – 5TH GRADE)

During Vine Kids, children will immerse themselves in a Bible story, learning through play and crafts, and will share a snack together. Vine kids stay with their families for congregational worship songs and then leave as a group for class upstairs.
