## What's Happening?

**Cancellations:** The church building will be closed until Apr. 24. During this time, staff will work from home and will continue responding to emails and phone messages. You can also drop off any communication in the mailbox near the south entrance of the church. In-person worship and all other activities are canceled. Ministries will continue online on Sundays: worship at 9:30 a.m., children at 10:45 a.m. and youth at 7:00 p.m. Also, small groups will continue to gather online throughout the week.

**Bike To The Future Is Closed:** The B2F shop is currently closed in order to protect both volunteers and delivery recipients. Of course, we expect this to be temporary and our mission to help provide transportation to those in need in our community has not changed. More than 650 bikes have been presented since we began three years ago and the demand and response has not diminished. It is our privilege to serve the Columbia community in this way.

**Church Work Day—Postponed:** The outdoor workday has been postponed. We will let you know about future plans in the months to come.

**Garage Sale—Postponed:** Community's annual garage sale has been postponed. Pricing on Wednesday mornings has been canceled. We are not accepting donations at this time. We will keep you informed about future plans.

**Rocking Chair Fundraiser:** We are blessed to partner with Coyote Hills to provide space and childcare for 11 families training to be foster care families. At the end of the training, each family will receive a rocking chair engraved with their name on it. Each chair costs \$150. Please help us raise the funds for the chairs.
