#### To Do

**Say:** When someone chooses to trust and follow Jesus, they belong on God's team! Let's play a game where we're all on God's team. And what does a great team do? They cheer for one another! Let's do that while we play!

1. **Give** each kid a mini football.
2. **Place** tabletop football goal on the floor 1-2 feet away from the kids.
3. Each kid gets a few tries to **flick** their football through the goal posts. (See back of this guide for tips on how to play.)
4. All kids **cheer and encourage** each other whether they make the goal or not.
5. As time allows, **move** the goal farther away from the kids and **play** another round.
6. **Collect** mini footballs when time's up and **return them to kids** when the service is over.

**Review the Point:** B-E-L-O-N-G! Be a part of God's team!  
**Review the Verse:** *Find Bibles in room. Look up verse together. Talk about what's different and/or the same if in-room Bible is a different translation.*

**1 Corinthians 12:27 NIV** Now you are the body of Christ, and each one of you is a part of it.

- What do you like about this Bible verse?

#### Choose a Question to Get Your Group Talking

- What would a team be like if everyone on it were good at all the same things?
- What have you seen kids do to try to fit in?
- If a kid felt like they didn't fit in with everybody else, what would you say to them?
- What do you think God made you to do on His team?

#### Wrap Up

- **Pray** together.
- **Play** a game like *Rock, Paper, Scissors* or *I Spy*.

#### Leader Tip

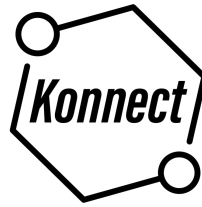

Trying to redirect? Be specific! Kindly saying the right choice helps kids follow it more quickly. Example: "Come sit by me," can work better than, "Stop running."

## **TABLETOP FOOTBALL ACTIVITY SUPPLEMENT 1 WEEK ONLY // PLAY A PART ON GOD'S TEAM**

### **Tips for how to play using the tabletop football:**

- Child places pointed end of football on the ground.
- They hold top point with one finger.
- Using other hand, they flick bottom of football to “kick” it through the goal posts.
- If the football flies between the two posts, their turn is over.
- If the football does not fly between the two posts, they can try again a few times.

### **Accommodations if a child in your group has a disability:**

*Try these ideas or use your own to make the game as fun as possible for all the kids in your group!*

- If the finger flicking move doesn't work for the child:
  - They can choose someone in the group to be their “designated kicker.”
  - They can toss the ball through the posts however works best for them.
- If getting down to the ground doesn't work for the child:
  - You can hold the goal posts in a place where it's easier for them to get the ball through.
  - They can hold the goal posts for the game. Be sure they hold them to their side, not close to their face.
