Registration 2019-2020

It is hard to believe that we are already planning registration for the next school year. Applications will be chosen using a lottery system

Applications will be distributed the first week of January after Christmas Break. Families can turn in their application and registration fee anytime before February 8, 2019.

Registration Priority:

Application will be pulled in the following order.

- Church Members & Staff
- Current Families
- Alumni
- Community

The Lottery begins the week of February 11th, 2019.

Application will be randomly selected and children will be placed into classes.

Families will receive a confirmation of their class placement by the end of the week. We will do our best to give everyone their first pick.

We look forward to another fun school year ahead!!

Details on the registration process will be sent home with each family before Christmas Break.

Information will also be available on the website in January as well at Wordoflife.net.

Please note that class offerings and the tuition policy will be changing so we ask that you read carefully before enrolling.

Registration Fees are non-refundable and there will be a non-refundable tuition deposit due as well. We ask for families to wait on registration if they are not sure if their student will be returning to Word of Life Preschool

Our Jesus Tree-Christmas Program

An exciting part of our curriculum is sharing the story of the birth of Jesus. We will be sharing all that we have learned through songs and poems at our family Christmas celebration. Our Jesus Tree is the program theme which will be held on **Friday, December 7th**.

Your child will attend one session at 5:30 OR 7:00 pm. All family members are invited to join us at this musical celebration. The program will be held in the church sanctuary. We will be serving punch and cookies immediately following the program.

Please RSVP on the sign-up sheet outside your child's classroom.

Don't Forget Your Hat and Mittens

Fall Weather can be tricky. The weather changes day by day. We watch the weather very carefully to determine if we should go outside and we take into account the sun, wind, and precipitation. There are signs outside the classroom that indicate if we plan to go outside.

Please send your child to school with a hat and mittens every day. If they do not wear them to school on their short ride please be sure they still bring them along for outside use. Keep them in the backpack so they can use them when they are needed.

We have had requests in the past for children to stay inside because they are just getting over a cold. However, our school policy states children must be well enough to participate in all school activities if they are in school, including outdoor play. The only exception to this rule is for extreme and chronic health issues (like asthma) with a Doctor's note.

Now is the time to grab an extra pair of mittens, another hat, and soon a pair of boots before they disappear off the store shelves.

Lastly, if your child wears boots to school they need to change into regular shoes once they get here. Please do so in the Narthex or on the bench by the bathroom to keep our floors dry.

Thanks for helping us keep the children safe and warm!

It is cold outside!

AMAZON SMILE-We appreciate your Support!

Will you be shopping for Christmas Gifts on Amazon? If so you can help WOL preschool earn money at no extra cost to you!

Register with Amazon Smile and every time you make an eligible purchase, Amazon will donate 0.5% to Word of Life Lutheran Preschool.

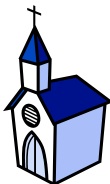

It's easy to sign up, you can create a new Amazon account or use your existing account.

It will not cost you anything and your purchases will benefit our children.

Tell your families and friends to sign up, too. They do not have to be affiliated with Word of Life church or preschool.

If interested, please see the Director for details.
