Special Guest Day

Thank you to all who participated in the Special Guest Day. It was a day filled with love and laughter and the children really enjoyed sharing their school experience with the guests. We appreciate your help in making this day one to remember.

Thank you to our teachers, church volunteers, and all the staff for planning and preparing for this day. We also thank Mrs. Hensley for filling in as our photographer. Everyone should have received a photo as a memento of this special day.

Preschool Evaluation Survey / Raffle

Thank you to those who participated in the survey sent out through constant contact email system. Your feedback is essential to helping us improve our school and encourage us to strive to be better.

We also appreciate all the encouragement and kind words that were expressed in the evaluations. We have a dedicated group of teachers and it's wonderful to know their hard work is recognized by our families.

As a small token of our appreciation, participants who completed the survey were entered into a raffle to win \$20 Scholastic Book Club credit.

Congratulations to the Tabb Family for being picked as the raffle winner.

The Heart of Our School — Our Families!

We want to thank you one last time for providing supplies and support to our school. From guest readers to office and classroom helpers to those who make continual purchases for our classrooms, we are truly grateful for all that you do.

How can you continue to help?

The best way to keep our school running is to keep our classrooms full. While most of our classes are full we still have room in some of our afternoon classes. We also have opening in some of our literacy classes. We appreciate you spreading the word and sharing news of our preschool with the local community.

If anyone wishes to give us a positive review on YELP we would be very thankful.

**Sharing Jesus' Love
and Growing in Grace**

Word of Life
Lutheran Preschool

The children who entered the school with some trepidation in September now bound in excitedly and with enthusiasm. We have seen them grow academically, socially, emotionally, and spiritually. It has been a delight to see them blossom. As the Director, I feel so blessed to start and end my day with your children's smiles and excitement. I give thanks to God for getting us through the "bumps in the road" that inevitably occur along the way and am endlessly appreciative of all the blessings and gifts that come from such a wonderful school.

As we enter the last month of school the learning continues. On May 9th the Guppies classes will join the Turtles and Penguins classes for Chapel Talk. The Penguins and Turtles have participated in Chapel Talk every month since the beginning of the year. They will play hosts to this month's Chapel Talk welcoming the Guppies who will be Penguins and Turtles next year.

As you plan for summer think about joining us for "Pals In Park", see page 1 for details. To those families who are moving on from WOL we will miss you but we trust in God to be by their side as they continue their journey in life. To those who are returning in the fall, have a safe summer, we look forward to seeing you in September.

God's blessings,
Jacqui Grisenthwaite,
Director

Angelman Walk at WOL Saturday, May 19th 8 AM

Angelman Syndrome is a genetic disorder which can cause developmental delay, lack of speech, seizures, difficulty with balance and walking, and inappropriate laughter. Individuals with AS require life-long care.

This year's walk-a-thon is scheduled for Saturday, May 19th. The money raised helps fund research for cures. There are many different opportunities to volunteer, from working the race, to sponsoring a walker to walking yourself.
