

Bible Classes

WEDNESDAY • MARCH 7 - MAY 30

spring quarter

GENERAL ADULT • CHRISTIAN STEWARDSHIP

Christian Stewardship is about more than the money we drop into the collection plate—stewardship is everything we do as followers of Christ. We'll talk about how to properly understand our relationship to all we possess and how to carry out God's wishes by using all that He has entrusted to us.

Teachers: Tommy Hodge & Jim Neelley // Room A115

YOUNG ADULT (College / 20's / 30's) • D6 FAMILY

This class will study the same topics as our youth and children's classes to build stronger faith in our families. It will include lessons from Galatians to help us reflect on our faith, a variety of Psalms and lessons on the character of God.

Teachers: Zach Ingram, Blake McCaskill & Jacob Turner // Room A116

WOMEN'S STUDY • SISTER TO SISTER (PART 2)

Our own Bellevue sisters will tell the stories of important events in their lives. These stories will relate important spiritual crossroads and how they impacted their lives and faith. We encourage the ladies in our church family to support their sisters by attending this class.

Teachers: Various // Room A120

MEN'S STUDY • LIFE UNDER THE SUN

Do we sometimes feel lost and ask what is life really all about? How can we make our lives more meaningful? Solomon searched for answers to these important questions and more. This study of Ecclesiastes will help us order our priorities, draw closer to God, and discover the important things of life.

Teachers: Various // Room A121

GENERAL ADULT • ROMANS

Salvation for sinful mankind is the central focus of this letter. God's grace provides an escape to all who would respond to him in faith. Faith, baptism, and the help of the Holy Spirit lead the Christian to present their bodies as a living sacrifice of service to God. This is the grand theme of this letter.

Teacher: Timothy Agee // Auditorium

GENERAL ADULT • SINGING

This class will learn to sing new songs as well as sing some of the old favorites. This is a great way to praise God and enjoy fellowship together.

Teacher: Jan Cronin // Fellowship Hall
